“ My mom was the most beautiful person inside and out! The best mother and LaLa I could have ever asked for. No matter what she was always there for us and showed absolute unconditional love. I can only pray that I become just half of the mother that she was. I love u mom and will miss u every single day for the rest of my life.

“ I am so sorry to hear about the loss of such a beautiful person. I have known Kelly my whole life practically because she was such dear friends with my mother (Kim). I played with Savannah as little girls and even babysit as I gotten older. She will truly be missed.

My sincere condolences,

Kristina

“ Kelly was my baby sister we had some fun times together when we were younger. We had grown apart for a little while but we found our way back. I will miss my baby sister but I know she is no longer suffering and in a beautiful place just waiting for the day we can be together again. I will always love you and will hold you in my heart til we meet again.
I love you girl.
